

WATA Jr. High – Coaches Team Registration On [TennisLink](#)

Below are some quick instructions to get you started, however the best way to learn TennisLink is to attend an online tutorial session. You will create a username and password to access the site. If you coached a team last year, your username & password will remain the same. It is important to remember your password. You will need to log in during the season for score reporting. Once logged in as a Coach/Captain, E-learning material can be found on the JTT home page under the USTA Jr. Team Tennis logo, at the bottom of the column.

*(If you are a **returning captain**, simply log on to the site and select “Creat New Team” under the “My Options” heading. Then follow steps 6-14 below.)*
